

Best's State Rate Filings®

Solution for Actuaries, Analysts, Consultants, Underwriters, Market Researchers and Product Managers/Developers

Access millions of complete rate, rule and form filings for property/casualty and life/health lines on our revamped, mobile-friendly website.

-  Monitor approved, pending, rejected or withdrawn filings, plus loss cost information and new programs.
-  Track companies by states or lines of business, and receive customized notifications when filings are submitted or approved.
-  Export key data from filings, including disposition data and market share information.
-  Access standardized policy forms from national insurance advisory and statistical organizations.
-  Identify top US P/C and L/H insurers by state and line and bring yearly trends into focus with preformatted financial reports.
-  Streamline your insurance pricing and product management strategy.

Best's State Rate Filings

- P/C Filing Search**
Access rate and rule changes, loss cost information and new programs for thousands of P/C insurers.
- L/H Filing Search**
Access rate and rule changes, as well as new programs for thousands of L/H insurers.
- As Received Filings**
See filings that have not been reviewed by AM Best and are therefore not yet searchable using the "Filing Search".
- Resources**
See helpful videos, system requirements, support, What's New, available states, policies, etc.

▲ Readily find P/C and L/H insurers and their rate, rule and form filings.

Your purchase includes:

Filings:

- Online database with policy filings for property/casualty (all states plus DC) and life/health (46 states plus DC) insurers
- Approximately 30,000 new filings per month
- Complete P/C filing PDFs dating back to 2008
- Filings as received from state insurance departments
- SERFFSM filing descriptions

Reports:

- Market share reports detailing one-year premiums and loss data
- Financial reports on loss reserves and expenses

Search Features:

- Search within and across states based on:
 - Commercial/personal line or program
 - More than 250 types and subtypes of L/H insurance
 - Filing or SERFF number, effective or disposition date, overall effect percentage, loss cost multiplier

- Company, group or agency/organization name; NAIC, FEIN and AMB company numbers
- Keywords or phrases within the filing
- Text within the filing summary
- Search results exportable to Microsoft® Excel® or PDF
- Best's Credit Ratings, market share and company rank information included in search results
- Option to save search criteria

Plus:

- Email alerts for filing changes by state, line, filing action, company, program, overall rate effect and keyword
- Standardized policy forms from national insurance advisory and statistical organizations
- One-year subscription to *Best's Review*® magazine online and the *BestDay*® insurance news email
- Group License Management Tool to give you full control over your registered products, allowing you to manage users and license seats under a shared registration number for multi-user or unlimited purchases

SERFF is a registered service mark of the National Association of Insurance Commissioners. Microsoft and Excel are either registered trademarks or trademarks of Microsoft Corporation in the United States and/or other countries.
