Best's State Rate Filings®

Quickly access millions of complete rate, rule and form filings for P/C and L/H lines. Hundreds of new filings are published each day.

Monitor approved, pending, rejected or withdrawn filings, plus loss-cost information and new programs.

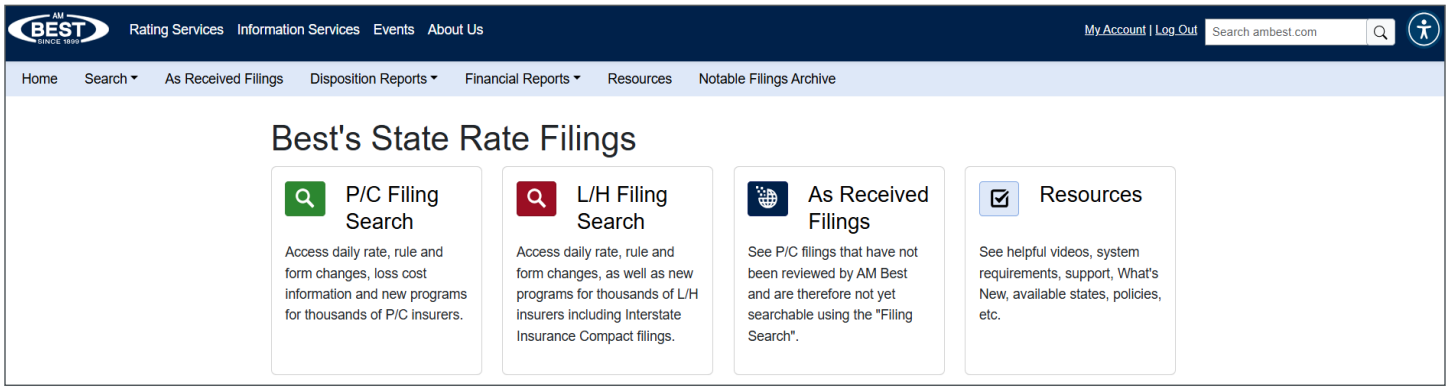

Track companies by states or lines of business, and receive customized notifications when filings are submitted or approved.

Export key data from filings, including disposition data and market share information.

Access standardized policy forms from national insurance advisory and statistical organizations.

Identify top US P/C and L/H insurers by state and line, and bring yearly trends into focus with preformatted financial reports.

Streamline your insurance pricing and product management strategy.

Your subscription includes:

Filings:

- Online database with policy filings for property/casualty (all states plus DC) and life/health (48 states plus DC) insurers
- Approximately 30,000 new filings per month
- Complete P/C filing PDFs dating back to 2008
- Filings as received from state insurance departments
- SERFF℠ filing descriptions

Search Features:

- Search within and across states based on:
  - Commercial/personal line or program
  - More than 250 types and subtypes of L/H insurance
  - Filing or SERFF number, effective or disposition date, overall effect percentage, loss-cost multiplier
  - Company, group or agency/organization name; NAIC, FEIN and AMB company numbers
  - Keywords or phrases within the filing
  - Text within the filing summary
- Search results exportable to Microsoft® Excel® or PDF
- Best's Credit Ratings, market share and company rank information included in search results
- Option to save search criteria

Reports:

- Market share reports detailing one-year premiums and loss data
- Financial reports on loss reserves and expenses
- Disposition data reports to track rate effects by state, line, year and company

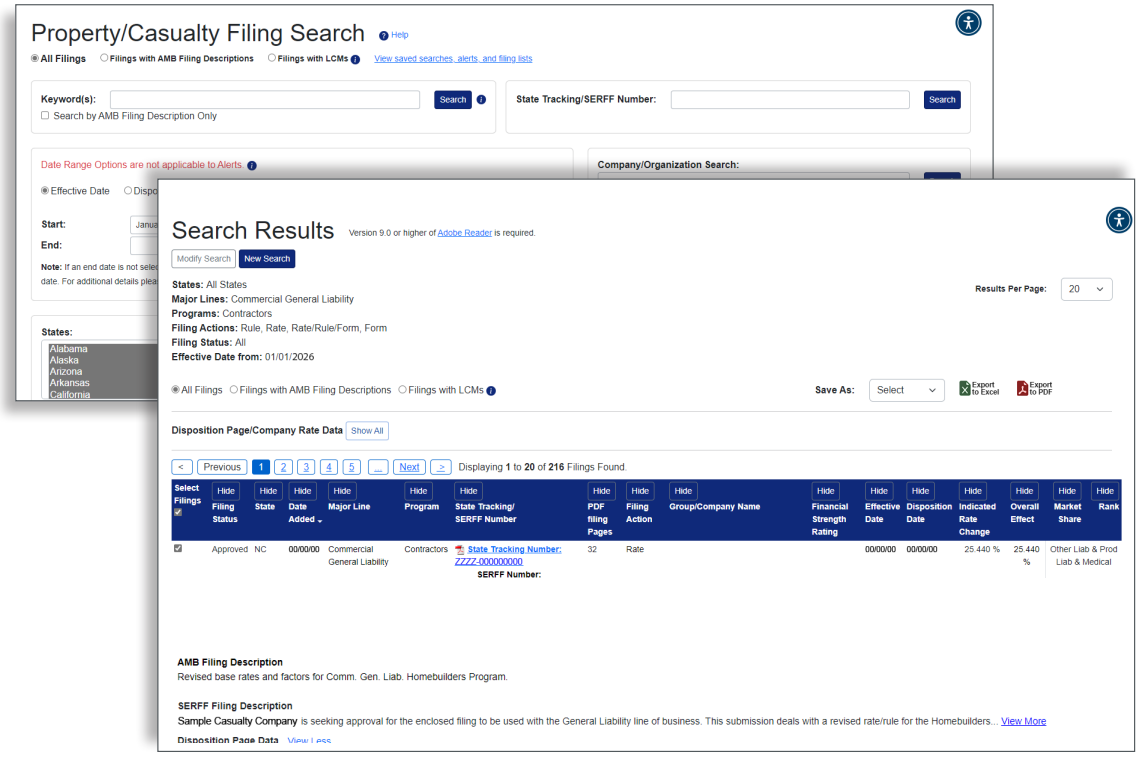

Plus:

- Email alerts for filing changes by state, line, filing action, company, program, overall rate effect and keyword
- Standardized policy forms from national insurance advisory and statistical organizations
- One-year subscription to *Best's Review*® magazine and the *BestDay*® insurance news email
- Group License Management Tool to manage users and license seats under a shared registration number for multi-user or unlimited purchases

SERFF is a registered service mark of the National Association of Insurance Commissioners. Microsoft and Excel are either registered trademarks or trademarks of Microsoft Corporation in the United States and/or other countries.

Search Millions of Property/Casualty Filings in Seconds

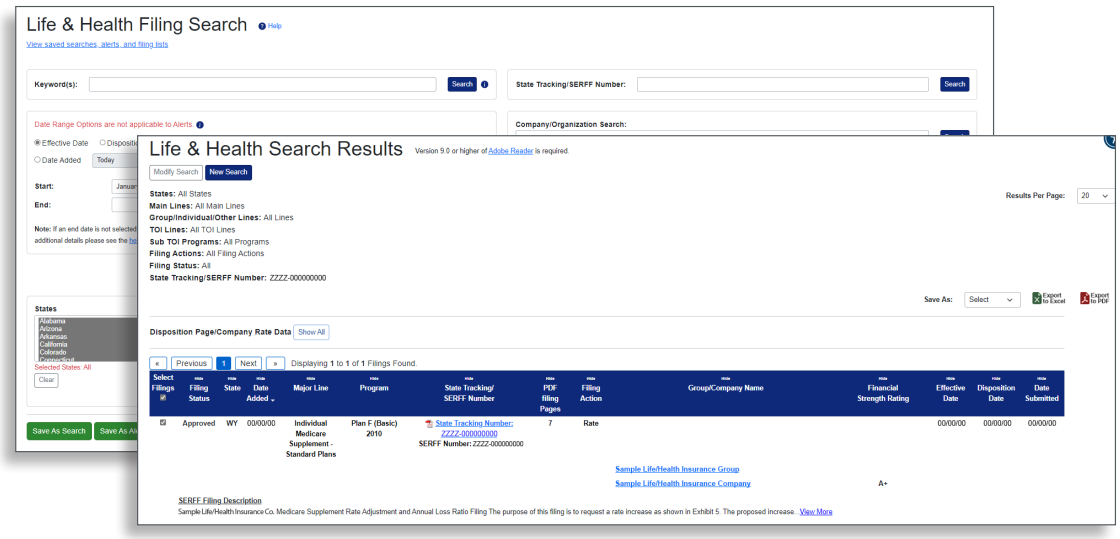

▼ Uncover US P/C filings for all states plus DC.

▲ P/C search results include details such as filing status, market share and rank, with a link to a PDF of the complete filing.

Life/Health Filings Are Included with Your Purchase

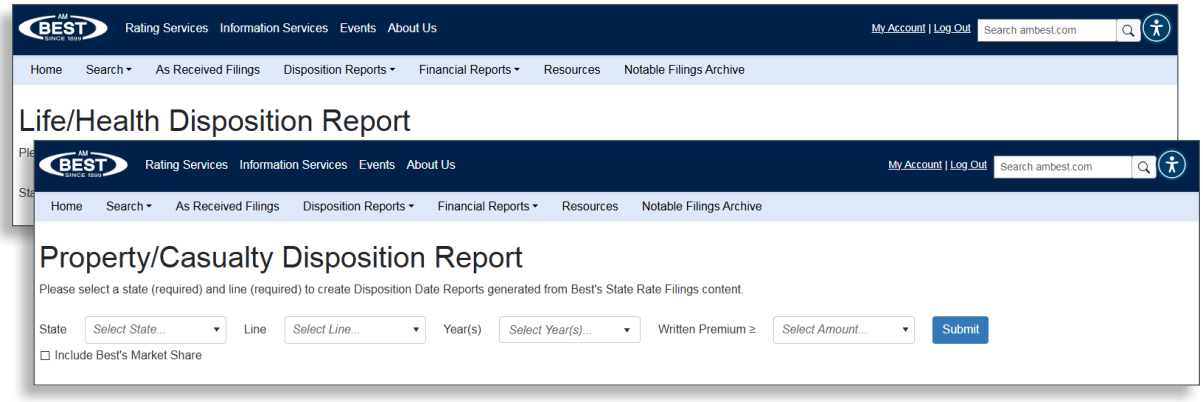

▼ Find US L/H filings for 48 states plus DC.

▲ Examine details of rate, rule and form filings to track company and industry changes.

Easily Create Disposition Data Reports

▼ Specify life/health or property/casualty.

▼ Create your own reports based on state, line, year(s) and written premium, enhancing your research and helping you uncover trends.
