AM Best is known worldwide for Best’s Credit Ratings, an independent, unbiased opinion of an insurer’s financial strength and ability to meet obligations to policyholders and investors.

*Best’s Insurance Reports® via Best’s Library Center* offers cost-effective access to professional-level resources for researching insurer financial strength and creditworthiness, in a format designed to meet the needs of public and academic libraries.

Build your library’s business and educational resources with online reports and tools ideal for:

- **Business owners, insurance policyholders and consumers making policy-buying decisions**
- **Small and independent investors considering opportunities in the insurance industry**
- **Students preparing for a career in the insurance industry**
- **Professors and academic researchers seeking to enhance their curricula**

Credit reports show the details and analysis behind Best’s Credit Ratings at the time they are assigned.

Financial reports provide the latest company information and financial data.

*Best’s Insurance Reports® via Best’s Library Center* offers access to the same ratings, reports and tools insurance professionals use to research and analyze individual companies and the industry:

- Credit reports outlining AM Best’s objective third-party evaluation of insurer performance, providing a thorough explanation of why the current Best’s Credit Rating was assigned
- Financial reports with current financial data and updates including corporate changes, rating history, M&A, and more
- Detailed company overview for at-a-glance access to key information
- Archived credit reports and financial reports for historical research
- Advanced search features to find insurers based on multiple customizable criteria
- IP authentication for 24/7 password-free access and remote connectivity (academic libraries only)

Add *Best’s Aggregates & Averages* to your *Best’s Library Center* subscription to access a moment-in-time snapshot of insurance industry performance as an online benchmarking resource.
