Best's Insurance Reports® via Best's Library Center

Professional-Quality Insurance Resources, Exclusively for Libraries

AM Best is known worldwide for Best's Credit Ratings, an independent, unbiased opinion of an insurer's financial strength and ability to meet obligations to policyholders and investors.

Best's Insurance Reports[®] via Best's Library Center offers cost-effective access to professional-level resources for researching insurer financial strength and creditworthiness, in a format designed to meet the needs of public and academic libraries. It includes a broad selection of functions to meet individual accessibility needs and improve user experience through the UserWay widget ().

Build your library's business and educational resources with online reports and tools ideal for:

Business owners, insurance policyholders and consumers making policy-buying decisions

Small and independent investors considering opportunities

in the insurance industry

Students preparing for a career in the insurance industry

Professors and academic researchers seeking to enhance their curricula

Best's Insurance Reports® via Best's Library Center offers access to the same ratings, reports and tools insurance professionals use to research and analyze individual companies and the industry:

- Credit reports outlining AM Best's objective third-party evaluation of insurer performance, providing a thorough explanation of why the current Best's
 Credit Rating was assigned
- · Financial reports with current financial data and updates, including corporate changes, rating history, M&A, and more
- Detailed company overview for at-a-glance access to key information
- Archived credit reports and financial reports for historical research
- · Advanced search features to find insurers based on multiple customizable criteria
- · IP authentication for 24/7 password-free access and remote connectivity (academic libraries only)

Add Best's Aggregates & Averages to your Best's Library Center subscription to access a moment-in-time snapshot of insurance industry performance as an online benchmarking resource.
