

# Best's Investment Schedules (A-E)

P/C & L/H, US

Perform detailed analysis of the insurance industry's investment portfolio and evaluate insurers' investment strategies.

Analyze the stock, bond and hybrid security holdings of US insurers, reinsurers and groups, industry segments and the industry as a whole.

Uncover investment opportunities or potential risks.

Measure the performance of companies' investments and compare it to peers or the total industry.

Combine current Best's Credit Ratings with investment data to benchmark a company's performance against companies with similar ratings.

## Reporting Capabilities

Ready-to-use templates with standard reports are available, along with wizards to create custom reports using the fields of your choice. Templates include:

- Maturity Report: View investments by maturity date.
- Comprehensive Investment Report: Capture all investment data for a single company or group.
- Analysis of Bonds: Review different bond classifications and their contribution to investment income.
- Investment Income and Capital Gains: Get a detailed analysis of investment results.
- Issuer Report: Search for investments by issuer name or number.
- CUSIP® Report: Search for securities by CUSIP number, including all insurers that own the same investment.

Continued

### CUSIP/Issuer Search

Search for a specific CUSIP or issuer and create a report to analyze companies that own specific investments. Rating Information fields can also be added to your reports for further analysis.

Search By  CUSIP/Issuer Identifier  Issuer Name

Search By CUSIP/Issuer Identifier  By CUSIP  By Issuer Number

The Issuer Number entered was found in 6 schedule(s). Use the options below to select a different schedule or data period.

Issuer Report: 912810 (5579 Results) 20 Fields Selected

AMB#	NAIC#	Company Name	Issuer name	Issuer number	Issue suffix	Issue description	Private placement indicator	Classification
000000	00000	Sample Insurance Company 1	UNITED STATES TREAS	912810	DZ			
000000	00000	Sample Insurance Company 2	UNITED STATES TREAS	912810	FF	Note		US Government/Govt Agency

▲ Create reports to analyze companies that own specific investments.

### Tools

- “Explore Investments” tools to analyze detailed data reported in Schedules A through E and create templates and customized reports, with multiple layout options for exporting to Excel®
- *Best’s Certificate of Creditworthiness*, which provides documentation of Best’s Credit Ratings and acts as a valuable complement to a certificate of insurance (COI)

### Support

- Access to our template service at no extra cost, as well as assistance from our data support team
- Training webinars and e-learning modules that walk you through product features
- Group License Management Tool to give you full control over your registered products, allowing you to manage users and license seats under a shared registration number for multi-user or unlimited purchases

▲ The *BestLink* Company Dashboard presents company-level intelligence in a fast, user-friendly interface featuring interactive tables, charts and sparkline performance histories. Customize the dashboard tiles to prioritize the ratings, data and analytics that best support your workflow.

### Multiple Delivery Channels

- *BestLink*®, which offers online access to financial data and insurer analysis
- *BestLink for Excel*, our downloadable add-in
- *BestLink Data Feeds*, which transmit filing data (excluding AM Best-created ratios) to the subscriber’s FTP site (additional fee applies)
- AM Best Mobile App, for on-the-go access to premium subscription features

Download the AM Best Mobile App.
